INSTRUCTIONS

1. Produce all documents described below in the Requests section, insofar as the documents are in Your possession, custody, or control, under Rule 34(a), including without limitation, documents in the custody or control of Your attorneys or agents. You do not need to re-produce documents that you have already produced to the Commission during its investigation leading to this litigation or by Letcavage during this litigation, provided You identify those documents by their Bates number.

2. Under Rule 34(b)(2)(B), with respect to each numbered category of the Requests below, respond by either stating that You will produce such documents (by producing copies or producing originals for inspection and copying) or stating with specificity the grounds for objecting to the request, including the reasons.

3. Under Rule 34(b)(2)(C), any objection You make to producing documents responsive to a numbered category below must state whether any responsive documents are being withheld on the basis of that objection. An objection to part of a request must specify the part and permit inspection of (or You must produce) the remaining documents.

4. For each document, or portion thereof, that You seek to withhold on the basis of any privilege or protection, provide a written response containing the information required by Rule 26(b)(5)(A) and Local Rule 26.2.

5. Under Rule 34(b)(2)(E)(i), the Commission requests that You organize and label documents produced in response to the Requests to correspond to the Requests' numbered categories.

6. The relevant period that applies to these Requests, unless otherwise stated, is December 1, 2011 through April 15, 2014 (the "Relevant Time Period").

7. These Requests are continuing. To the extent that You obtain information or documents that change or require correction or supplementation of Your responses to the Requests after You serve your responses on the Commission, You must promptly serve supplemental responses reflecting the new information and produce any additional documents, pursuant to Rule 26(e)(1).
